Orient Green plans Rs 900-cr IPO

Orient Green Power Company is planning to tap the capital markets with an Rs 900-crore initial public offering in July. The company, which filed for the draft red herring prospectus (DRHP) in March, is awaiting final approval from Sebi. It is planning to rope in anchor investors and is in talks with several fund houses. "Fund houses are showing good interest," said T. Shivaraman, vice chairman and CEO, OGP said.
