## **Limited Review Report**

The Board of Directors of Orient Green Power Company Limited

- 1. We have reviewed the accompanying statement of unaudited standalone financial results ("the Statement") of Orient Green Power Company Limited ("the Company"), for the quarter and nine months ended December 31, 2020. This statement is the responsibility of the Company's Management and approved by the Board of Directors. The statement has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3. Based on our review conducted as above, and read with our comments in paragraph 4 below, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Indian accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
- 4. We further draw attention to following matters as stated in the Notes to Financial Results:
- (i) Considering the restrictive covenants by consortium banks on the subsidiary viz. Beta Wind farm Private Limited and the uncertainty associated with the recovery, the company has on a prudent basis not recognized the finance income of Rs. 1,069 Lakhs during the quarter on loan measured at amortized cost, consequent to fair valuation of investment in preference shares.

(ii) The Company considered possible effects that may result from COVID -19 in preparation of these results including the recoverability of carrying amounts of financial and non-financial assets. Nevertheless, the uncertainty prevailing in the external environment might have an impact on the future operations of the company. The Company is also closely monitoring developments, and is taking necessary steps to minimize the impact of this unprecedented situation.

Our conclusion is not modified in respect of these matters.
