ITEM No. 4

M/s. Orient Green Power Company Limited (The Company) came out with an Initial public Offering (IPO) (hereinafter referred to as "the Issue") of 191,489,361 equity shares of face value of ₹ 10 each for cash at a price of ₹ 47 per equity share including a share premium of ₹ 37 per equity share, aggregating to ₹ 9,000 million on 08th October, 2010 and the shares of the Company got listed with the Stock Exchanges BSE and NSE.

One of the Objects of the Issue was, "Funding of subsidiaries for development of biomass and wind projects ("300 MW Tamil Nadu project"). The Amount set aside for the said purpose was ₹ 578.60 Crores.

Out of the originally earmarked funds of ₹ 558.84 Crore for 300 MW project to be set up by its subsidiary, Beta Wind Farm Private Limited, the Company has utilized the entire amount in line with the objects of the issue and such utilization has resulted in setting up wind energy capacity of 241.68 MW instead of the originally envisaged 300MW due to cost over-run. The cost over-run had been incurred mainly due to delays in implementation of the project on account of challenges faced during land acquisition, power evacuation issues leading to relocation of wind mills and delays in obtaining right of way interests as well as delays by certain state utilities in approving the Power Purchase arrangements.

Now, the Company has decided to raise additional funds for the balance 57.5MW from other sources i.e. either by way of additional loans from banks and other sources of equity.

The banks who had earlier sanctioned the loans to the subsidiary, have re-appraised the project and sanctioned additional loans to complete the balance capacity of the project.

It is also pertinent to mention that, the Company in its Prospectus dated September 20, 2010 had mentioned about the "**Variation in fund requirements and Shortfall of Net Proceeds**" as follows:

"in case of variations in the actual utilization of the Net Proceeds, increased fund requirements for any of the Objects may be financed by surplus funds, if any, allocated for the other Objects, subject to applicable law. In case of shortfall/ cost overruns if any, for the Objects, the Company intends to meet the same through a range of options including utilizing our internal accruals, seeking additional debt or raising equity capital. Further, in the event that estimated utilization out of the Net Proceeds in a Fiscal is not completely met, the same shall be utilized in the next Fiscal. Until our Company realises the Net Proceeds, it will utilize its internal resources / debt for payments in respect of the Objects, which is currently intended to be reimbursed from the Net Proceeds".

Accordingly, the Company is now seeking the approval of the Shareholders by way of Special Resolution for considering the amounts already utilized in line with the objects, aggregating to ₹ 558.84 Crores as having been utilized for completing 241.68MW and for raising additional funds by way of additional debts/issue of equity shares to complete the balance project.

Neither the Directors of the Company, nor the Key Managerial Personnel of the Company nor their respective relatives are in any way concerned or interested, financially or otherwise in this Resolution.

The Board recommends the resolution set forth in the above item for the approval of the members.

ITEM No. 5

The Company appointed Mr. T. Shivaraman as Executive Vice Chairman for a period of five years from 27th March 2010 to 26th March 2015 and remuneration was fixed at ₹ 12.00 lacs P.A., for a period of Three Years from 01st April 2010 to 31st March 2013 which was approved by the Shareholders at the Extra Ordinary General Meeting held on 27th March 2010.

For the financial year 2013-14, the Remuneration and Compensation Committee at its meeting held on 08th February, 2014 approved the payment of remuneration of ₹ 12 Lacs P.A. to Mr. T. Shivaraman, Vice Chairman for further the period of one year i.e. from 01st April, 2013 to 31st March, 2014 which was approved by the Board of Directors at their meeting held on that date.

Further pursuant to the provisions of Section 198, 269, 309 and 310 and other applicable provisions if any of the Companies Act, 1956, the said payment was already approved by the Shareholders by way of Postal Ballot process on 26th May, 2014 which was subject to approval of Central Government.

The Company has already complied with the necessary procedures required as per the act to seek approval from the Central Government. As there was delay in completing requisite formalities and also for receiving the consent from the Central Government, necessary remuneration has been paid to Mr. T. Shivaraman, Vice Chairman for the said period.

Considering these facts, the Central Government has intimated the Company to file application for the waiver of recovery of excess remuneration paid to Mr. T. Shivaraman, Vice Chairman.

Taking into account the excellent performance and dedication of Mr. T. Shivaraman, Vice Chairman, who has justified the position assigned to him, Board of Directors of your Company have agreed and passed Board Resolution on 19th August 2015 for waiver of recovery of excess remuneration paid to Mr. T. ITEM No. 6

The Articles of Association ("AoA") of the Company is presently in force since its incorporation of the Company i.e. year 2006. The existing Articles of Association are in line with the erstwhile Companies Act 1956, which are thus no longer in full conformity with the Companies Act, 2013 ('New Act'). The New Act is now largely in force and substantive sections of the Act which deal with the general working of companies stand notified. With the coming into force of the Act several articles of the existing Articles of Association of the Company require alteration / deletions. Given this position, it is considered expedient to wholly replace the existing Articles of Association by a new set of Articles. It is thus expedient to adopt new set of Articles of Association (primarily based on Table F set out under the Companies Act, 2013), in place of existing Articles of Association of the Company instead of amending the Articles of Association by alteration/incorporation of provisions of the Companies Act, 2013.

Hence the Board of Directors at its meeting held on August 19th 2015 decided to adopt new set of Articles in place of existing Articles of Association of the Company and seek shareholders' approval for the same. In terms of Section 5, 14 and 15 of the Companies Act, 2013, the consent of the members by way of special resolution is required for adoption of new set of Articles of Association of the Company.

A copy of the proposed set of new Articles of Association of the Company would be available for inspection for the members at the Registered Office of the Company during the office hours on any working day, except Saturdays, between 11.00 A.M. to 2.00 P.M. till the date of Extra Ordinary General Meeting and also available in the website of the Company www.orientgreenpower.com.

Neither the Directors of the Company, nor the Key Managerial Personnel of the Company nor their respective relatives are in any way concerned or interested, financially or otherwise in this Resolution.

The Board recommends the resolution set forth in the above item for the approval of the members.
